

Workshop Highlights

In this family friendly workshop led by North Shore Black Bear Society (NSBBS) we will:

- Visit a local park and explore the trails within
- Learn about animals that share our forests
- Become familiar with local plants and trees
- Understand bear behaviour, their eating habits and identify examples of bear activity in the forest

Meet other newcomers & long-term residents on the North Shore, socialize and practice your English.

Space is limited – Register Early!

Discover Together: Wildlife on the North Shore

Tuesday, July 18
10:00 am – 11:30 am

Discover Together invites families to learn about, and explore the North Shore together!

Join us for this family friendly event as we explore the park and trails in Bridgman Park, and learn about nature and local wildlife!

All are welcome!

Details:

Location: Bridgman Park
625 Mountain Hwy, North Vancouver

**Please dress for the weather,
including good walking shoes.**

Participants are responsible for getting themselves to and from the event.

This workshop will be presented in English.

This workshop is open to newcomers and immigrants.

This program is government funded and free of charge.
