

Digital Support: Drop-In Session

These in-person digital support sessions are designed for clients with a low level of digital skills. Bring your own device and drop-in to this session to get personalized support for your digital skills questions and concerns.

Bring your questions about:

- Basic computer skills including filling out online forms, registering for online accounts, and downloading apps
- Using Zoom and Moodle
- Simple trouble shooting for digital devices
- Online safety skills like avoiding online scams and setting strong passwords
