

Workplace Health & Safety: What You Need to Know

Whether you are preparing for your first job or already working in BC, knowing how to stay safe at work can make all the difference.

What You Will Learn:

- Recognize common workplace hazards
- Understand your workplace rights and responsibilities in BC
- Learn the 4 basic workplace safety rights every worker should know
- Know what to do if you get injured at work and how to report
- Learn your right to refuse unsafe work
